The second resort-style, boutique townhouse project in Pompano Beach from Cavache Properties has been approved.

Cavache's three projects have been fueled by continued demand in the second home market, according to a company statement.

Construction on the \$11 million development will start in the second quarter of 2014. 14th & Ocean will feature 21 three-story, four-bedroom residences with spacious kitchens and living areas, two-car garages, and open balconies. Designed by Adache Group Architects, the residences will range from 2,532 to 2,584 square feet in size.

Residences at 14th & Ocean will be priced from \$499,000. Pompano Beach-based Cavache is currently accepting reservations.
